June 25<sup>th</sup>, 2019

Dear Parent / Guardians,

We wish your family a summer filled with an abundance of relaxation, peace and joy. Mr. Setler and I are delighted to share that we will continue to serve the St. Dominic School community as your administrative team for the 2019/20 school year. The staff and I look forward to learning and growing alongside your child(ren) and building on the strong foundation already in place.

St. Dominic Savio School will **NOT** be holding a **Sneak Peek** at the end of August this year. We are going paperless and moving fully online for 2019-20 school year. Each family will receive an email notification on **Wednesday, August 28<sup>th</sup>** regarding your child(ren)'s class assignment. This email notification will prompt you to go to Cash Online where you will be able to view your child(ren)'s class assignment. If you are not registered for Cash Online, we strongly encourage you to do so otherwise you will be unaware of your child's classroom teacher in advance. In addition to classroom teacher assignment notifications, you will receive notifications requesting your digital signature for the forms listed below:

- Teacher and classroom assignments for each child;
- Important dates for the year at a glance;
- Volunteering opportunities at St. Dominic;
- Pizza day and milk program information;
- Important forms (Critical Medical Alert form, Violent Threat Risk Assessment Fair Notice form, Consent for the Use of Student Image/Voice/Work form)
- Emergency School Dismissal and/or School Bus Cancellation procedures
- The Before and/or After School Program for those families who are participating;
- Student Transportation Services of the Waterloo Region (STSWR) Do Not Ride form (for students who are eligible to ride the bus);
- Student Acceptable Use of Computer Technology form for our Grade 4 students;
- Lunch Letter forms (for those students in Grades 1 – 8 who will go home for lunch)
- School Council Nomination Form

Student agendas will be disturbed by the classroom teacher on the first day of school to JK – Gr. 3 students and Ms. Kohler's Grade 4 class. We are requesting a \$6.00 contribution to help defray the cost.

For those families not aware, Newswire is an electronic communication tool that we use daily to keep the community up-to-date on various events. To register, enter your email address beside the prompt found near at the bottom of the school web site homepage. Cash Online is the new Payment system we will be using this year to pay for everything including pizza and class trips. <https://wcdsb.schoolcashonline.com>. If you are not registered on Cash Online and don't receive information regarding your child(ren) teacher your child will report to the gym on the first day of school (Tuesday, September 3) and classroom assignment information will be shared.

Wishing all our Dragon families a wonderful summer.
