## Dear St. Dominic Savio Parents/Guardians and Students:

It is that time of year again. As the weather gets colder and the snow begins to fall, our annual **Christmas Food Drive, NEW Toy Drive and Winter Accessory Tree Campaign** arrives. **The Christmas Food Drive, NEW Toy Drive and Winter Accessory Tree Campaign** is our Social Justice activity for the month of

As a school, we will be collecting **non-perishable food items** (i.e. jams and jellies, jello, pudding mixes, snacks for school lunches, cereal, and canned fruit) for needy families in our community. **All food we collect will be given to the St. Vincent de Paul unit (at St. Mark's Church) where it will be distributed to those in need.** *(Please remember not to send any food products with nuts in them due to allergies).*

We will also be collecting games for children during our Toy and Winter Accessory Campaign. Students will be asked to buy a game or a craft for a boy and a girl of their age group (i.e. Grade 5 = 10-year-old boy and girl) and hats, scarves, socks or mitts for those individuals. The St. Vincent de Paul Society has specifically asked for sports equipment, simple games, crafts and hats, scarves, socks and mitts for all age groups this year. St. Vincent de Paul will collect the gifts before Christmas and will distribute the gifts in hampers to specific families.

St. Dominic's community has always been very generous and thoughtful during our Christmas Food Drive, NEW Toy and Winter Accessory Tree Campaign. **So, please send in non-perishable food items; NEW games or crafts for a boy or a girl and hats, scarves, mitts or socks for anyone.**

*We thank you in advance for your generosity and your help in making our Christmas Food Drive, NEW Toy and Winter Accessory Tree Campaign a success.  
God bless you!*
